MOTA Final Championships Standings are determined as stated in MOTA Rules and Procedures, Chapter 8, Section 5.

“The season championship will be determined by rider’s highest accumulation of championship points in 70% of the available events rounded to the nearest whole number of events. An available event shall be any one of the total number of championship events held, not including the events worked.” For 2013 championships, a maximum of the **EIGHT** best events will count.

MOTA Rules and Procedures, Chapter 8, Section 4a – “A rider must have worked at least two scheduled championship trials to be eligible for a year-end championship award and for inclusion in the year-end championship standing.”
